

AVEO Announces Closing of Public Offering of Common Stock and Full Exercise of Option to Purchase Additional Shares

March 26, 2021

BOSTON--(BUSINESS WIRE)--Mar. 26, 2021-- AVEO Oncology (Nasdaq: AVEO) today announced the closing of its previously announced underwritten public offering of 6,900,000 shares of its common stock, which includes the full exercise by the underwriters of their option to purchase an additional 900,000 shares, at a price to the public of \$8.00 per share. The aggregate gross proceeds to AVEO from the offering were \$55.2 million, before deducting underwriting discounts and commissions and offering expenses payable by AVEO.

The net proceeds of the offering are expected to be used for working capital and general corporate purposes, including to support commercialization activities relating to FOTIVDA[®] (tivozanib) and to advance AVEO's pipeline.

SVB Leerink and Stifel acted as joint bookrunning managers for the offering. Baird acted as lead manager for the offering. H.C. Wainwright & Co. and JonesTrading acted as co-managers for the offering.

The shares were offered by AVEO pursuant to a shelf registration statement on Form S-3 that was filed with the Securities and Exchange Commission ("SEC") on November 9, 2020 and declared effective by the SEC on November 18, 2020.

A final prospectus supplement relating to, and describing the terms of, the offering has been filed with the SEC and is available on the SEC's website at www.sec.gov.

Copies of the final prospectus supplement and the accompanying prospectus relating to this offering may also be obtained from SVB Leerink LLC, Attention: Syndicate Department, One Federal Street, 37th Floor, Boston, MA 02110, by telephone at (800) 808-7525, ext. 6105 or by email at syndicate@svbleerink.com; or Stifel, Nicolaus & Company, Incorporated, Attention: Syndicate, One Montgomery Street, Suite 3700, San Francisco, CA 94104, by telephone at (415) 364-2720 or by email at syndprospectus@stifel.com.

This press release does not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.

About AVEO Pharmaceuticals, Inc.

AVEO is an oncology-focused biopharmaceutical company committed to delivering medicines that provide a better life for cancer patients. AVEO's strategy is to focus its resources toward development and commercialization of its product candidates in North America, while leveraging partnerships to support development and commercialization in other geographies. AVEO's lead candidate, FOTIVDA[®] (tivozanib), received U.S. Food and Drug Administration (FDA) approval on March 10, 2021 for the treatment of adult patients with relapsed or refractory renal cell carcinoma (RCC) following two or more prior systemic therapies. FOTIVDA[®] was approved in August 2017 in the European Union and other countries in the EUSA territory for the treatment of adult patients with advanced RCC. AVEO has previously reported promising early clinical data on ficlatuzumab (anti-HGF IgG1 mAb) in head and neck cancer, pancreatic cancer and acute myeloid leukemia and is conducting a randomized Phase 2 confirmatory clinical trial of ficlatuzumab for the potential treatment of head and neck cancer. AVEO's pipeline of product candidates also includes AV-380 (anti-GDF15 IgG1 mAb). AVEO has previously reported the acceptance of its investigational new drug application in the U.S. for AV-380 and its initiation of a Phase 1 clinical trial for the potential treatment of cancer cachexia. AVEO's earlier-stage pipeline includes monoclonal antibodies in oncology development, including AV-203 (anti-ErbB3 mAb) and AV-353 (anti-Notch 3 mAb). AVEO is committed to creating an environment of diversity and inclusion.

Cautionary Note Regarding Forward Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 that involve substantial risks and uncertainties. All statements, other than statements of historical fact, contained in this press release are forward-looking statements. The words "anticipate," "believe," "estimate," "expect," "hope," "intend," "may," "plan," "potential," "could," "should," "would," "seek," "look forward," "advance," "goal," "strategy," or the negative of these terms or other similar expressions, are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. These forward-looking statements include, among others, statements relating to the intended use of proceeds from the public offering. Actual results may differ materially from those projected or implied in these forward-looking statements. You should not place undue reliance on these forward-looking statements. Factors that may cause such a difference include, without limitation, risks and uncertainties related to the impact of general economic, industry or political conditions in the United States or internationally. Additional risks and uncertainties relating to AVEO and its business can be found under the caption "Risk Factors" included in AVEO's Annual Report on Form 10-K for the period ended December 31, 2020, AVEO's final prospectus supplement filed with the SEC on March 24, 2021, and other filings that AVEO may make with the SEC in the future. Any forward-looking statements contained in this press release speak only as of the date hereof, and AVEO expressly disclaims any obligation to update any forward-looking statements, whether as a result of new information, future events or otherwise.
